

A NON-STOP THRILL RIDE WITH JUST THE RIGHT AMOUNTS OF FUNNY AND CRAZY!

If you've seen a guy on TV juggling chainsaws chances are you've seen this guy before. He's been called "The Evel Knievel of Comedy" and it's no wonder. Whether it's the chainsaws flying, the stun guns clicking or the audience doing "the wave" Mad Chad's 60 minute family friendly show is sure to get your adrenaline pumping. "Because," Mad Chad Taylor Says, "if you really want people to put their hands together you have to be willing to risk one of your own!"
